\* Any two members with the same physical address may be joint members. Only one of each pair of joint members will receive Branch publications.

\*\* Joint membership is not available to RSCDS Life Members (consistent with RSCDS practice), however an RSCDS Life Member may be an RSCDS Life Family Member in association with a Full Adult or Full Annual email Member living at the same address. This gives these members the same discount on the Branch Service Fee available to Joint Members.

\*\*\* Young Adult age range 18 -24.

\*\*\*\* Introductory membership is available to new members joining after 1 January. The fee is 50 % of the full annual fee for the relevant membership year. It is not available to lapsed members re-joining.

**Please note:**

Annual Family membership is no longer available. It has been replaced by Joint Membership. Annual Family Membership offered a rate of 60% of the full rate to one of a pair of members living at the same address. Joint Membership offers a rate of 80% of the full rate to both members. **The total amount paid by the pair of members is the same under both scenarios.**

---

RSCDS Joint Membership is not available to RSCDS Life Members. In order to allow them the same NZ Branch entitlements as other members, Family Membership has been retained for RSCDS Life Members.

Email members will receive a hard copy of the NZ Dancer Magazine in February.
